

Sambhav Mishra

sammishr8319@gmail.com | +91 83198 02425 | [LinkedIn](#) | [Github](#) | [Portfolio](#)

Summary

Aspiring AI Engineer and Full Stack Developer pursuing B.Tech in Data Science and Artificial Intelligence at IIIT Dharwad. Experienced in deep learning, computer vision, and scalable MERN applications. Built a face recognition system (85%+ accuracy), an LLM-powered AI Travel Planner, and Restoria — a full-stack rental platform with role-based authentication and analytics dashboards. Solved 750+ DSA problems on LeetCode and passionate about building impactful, data-driven systems.

Skills

Languages:	Python, C++, JavaScript
Core CS:	Data Structures & Algorithms, OOP, DBMS, Operating Systems
AI/ML:	NumPy, Pandas, scikit-learn, OpenCV, TensorFlow, PyTorch
Deep Learning:	Neural Networks, CNNs, Model Training, Evaluation Metrics
Frameworks:	React, Node.js, Express.js, Next.js
Tools:	Git, GitHub, Firebase, VS Code

Projects

Travel Planner — LLM-Based Smart Itinerary Generator

Jan 2025 – Jul 2025

Tech: Node.js, Gemini API, Google Maps API, MongoDB, REST APIs

[Live Demo](#) | [Github](#)

- Built an AI-powered itinerary generator using Gemini LLM to create personalized multi-day travel plans.
- Integrated Google Maps API and secure OAuth authentication; implemented trip dashboard with MongoDB persistence.
- Structured backend using modular MVC architecture and RESTful APIs for scalability.

Indian Celebrity Face Recognition System

Sep 2025 – Oct 2025

Tech: Python, PyTorch, OpenCV, Transfer Learning (ResNet18)

[Github](#)

- Developed a multi-class face recognition model trained on 866 images using transfer learning.
- Applied data augmentation and regularization techniques, achieving 85%+ validation accuracy.
- Implemented real-time webcam inference with confidence-based prediction filtering.

Restoria — Online Property Rental Platform

Aug 2025 – Oct 2025

Tech: Node.js, Express.js, MongoDB, EJS, Cloudinary

[Live Demo](#) | [Github](#)

- Developed a full-stack MVC rental platform with authentication and role-based access control.
- Implemented CRUD APIs, booking workflows, and review system following REST principles.
- Optimized media handling using Cloudinary, improving page load performance.

Experience

Machine Learning & Full Stack Developer (Project Work)

IIIT Dharwad

January 2024 – Present

- Developed AI and full-stack applications including a face recognition system and LLM-powered Travel Planner.
- Applied transfer learning, REST API development, authentication systems, and cloud integrations in production-style projects.
- Collaborated using Git-based workflows and followed modular MVC architecture for scalable development.

Full Stack Developer (Project Work)

IIIT Dharwad

January 2024 – Present

- Designed and deployed full-stack web applications (Restoria, AI Travel Planner) using the MERN stack.
- Implemented authentication, RESTful APIs, booking workflows, and role-based access control.
- Integrated Cloudinary and external APIs while following MVC architecture and Git-based version control.

Leadership & Extracurriculars

IIIT Dharwad

January 2023 – Present

- Co-Lead, Event Management Club: Organized Avinya ,Sangeet 3.0 and other major campus events with 1500+ attendees; led a 40-member team and managed vendor coordination and logistics.
- Core Vocalist, Music Club: Performed at institute-level and inter-college events; contributed to event planning and stage management.
- Sports Captain (JNV): Directed team logistics and coordinated major school functions including Teacher's Day and Farewell.

Education

IIIT Dharwad, Karnataka

Expected 2027

B.Tech in Data Science and Artificial Intelligence

CGPA: 8.46

- Relevant Coursework: Machine Learning, Artificial Intelligence, Advanced Algorithm Design, Data Structures & Algorithms, OOP, Probability & Statistics, Linear Algebra.

Jawahar Navodaya Vidyalaya, Mandla, Madhya Pradesh

2022

Senior Secondary Education

Percentage: 88%

- Sports Captain; Regional-level Chess Player.

Certifications

Full Stack Web Development — Apna College (2025)

[Certificate](#)

Database Management Systems (RDBMS) & MS Fabric SQL — Udemy (2025)

[Certificate](#)
